

# Concierge Service *for* Every Client

At **Pesach Tikvah**, every client receives personalized, compassionate care. From finding the ideal therapist to coordinating complementary therapies and managing schedules, we prioritize your wellbeing every step of the way.

## Staff Members Speak

"Working at Pesach Tikvah is incredibly fulfilling because of the collaborative environment and the opportunity to make a meaningful difference in the lives of our clients. The team's dedication to compassionate care and professional growth makes it a wonderful place to practice." **David Binyaminov, PMHNP, Lead Psychiatric Nurse Practitioner at the 640 Family Center**

"Working at Pesach Tikvah has been a rewarding experience. Everyone is dedicated and genuinely invested in the mission of providing exceptional care. I feel like I'm part of a team that truly listens—to patients, to each other, and to the needs of the community." **Dr. Ekaterina Osman, DO, Lead Child and Adult Psychiatrist at the 926 Family Center, Pesach Tikvah's flagship location**

"At the Pesach Tikvah Training Institute, we offer our clinicians an unparalleled opportunity for professional growth, designed to broaden clinical knowledge and expertise while obtaining NYS CEU credits."

**Lea Scharf, LCSW, Director of Pesach Tikvah Training Institute**

"Pesach Tikvah is a place of heart, clinical excellence, and seeing the humanity in each individual who works here and who we serve."

**Aharon Fink, LCSW, Director of the 640 Family Center**

I have been working at Pesach Tikvah for close to 3 decades. The Psychiatry Department is staffed with amazing providers who combine a wealth of experience and knowledge with compassion and sensitivity. We work tirelessly to individually tailor medication regimens that will optimize a client's recovery." **Dr. Rachel Michaels, MD, Senior Psychiatrist and Medical Director of Pesach Tikvah**

"The Borough Park clinics have a dynamic team committed to top-tier patient care. As lead psychiatrist at 5309 and 4111 Family Centers, I've seen how our collaborative approach keeps every clinician aligned in supporting the patient." **Dr. Debbie Edelman, MD, Lead Psychiatrist at the 5309 and 4111 Family Centers**

"When you choose us, you can rest assured that not only are you getting exceptional care, but your clinician is also receiving top-tier supervision, fostering a deeper level of expertise and support for your journey. With us, it's a commitment to quality at every level." **Aaron Zev Herbstman, LCSW, Director of the 926 Family Center, Pesach Tikvah's flagship location**

## How Pesach Tikvah *Excels* at Client Care

Finding the **perfect therapeutic fit** is one of our top priorities. Through a thorough and empathetic intake process, we identify a therapist whose expertise, personality, and cultural background align with your needs. We don't stop until the match feels just right.

Pesach Tikvah's **Training Institute** is a licensed CEU-granting program designed exclusively for our therapists. By offering free, customized courses, we empower our team to continually enhance their skills and meet the evolving needs of our clients.

Just as we thoughtfully pair clients with therapists, we carefully **match clinicians with experienced supervisors**. These industry leaders provide in-depth case consultations and expert guidance to ensure the highest standard of care.

Our holistic approach extends beyond the individual to **include the entire family system**. Every family member seeking support receives the same dedicated, personalized care, fostering growth and healing for all.
